### **THE BEST STRATEGY**

The best strategy is to set the **automatic upgrade button** in your back office to **Enable** and leave it there. Do not withdraw any money until you automatically upgrade all the way to the **Crown Tier**. Then after you cycle in **Crown** for the first time, you can immediately withdraw **\$800** if you want to. From that point forward, whenever you withdraw money from your back office, be sure to leave **\$775** in your **back office E-wallet** so you can re-inter each tier and **cycle** again. You may want to also leave **\$29** in your **E-wallet** to cover your automatic quarterly payment of **\$29**. To be on the safe side, just leave **\$850** in your **E-wallet** at all times.

For more information about this strategy, please [click here](#) to watch a training video – Jan, 2019 featuring **Mr. Joe Atkins** again. Fast forward to the **9 min 20 second mark**.

### **FUND ME TO INFINITY PLAN**

After you upgrade to the **Gold Tier**, you may want to participate in the **Crowdfunding Guaranteed Fund Me to Infinity Plan**. Participation in this part of the program is optional and not required. However, you should sign up 4 or more people. For more information please [click here](#) to watch a video featuring **Mark Hamlin**.

### **IF YOU DO NOT UNDERSTAND ALL OF THE NUMBERS**

If you do not understand all of the numbers, it is important to realize you only have to pay **\$29 + \$2 fee = \$31** one time out of pocket and sign up **2** or more people to join. So if you receive any amount of money more than **\$31**, that will be good for you.

This is the end of this **PDF training file**. You may want to read it more than one time. Please watch the **videos** more than one time.
