COMPENSATION PLAN – EARN \$600,000 ON THE INTERNET IN 12 WEEKS

Please [click here](#) to watch the MyEcon compensation plan video featuring **Mr. June Collier – vice president of marketing** (see **Mr. Collier** on the website under – **about us**). You will learn all about the money you could earn after you join MyEcon and become a **Qualified Independent Marketing Associate**. The cost to join is \$49.95. Then \$34.95 per month starting next month.

As you watch and listen to the compensation plan video, you will hear **Mr. June Collier** say - after you join, your first title will be **Marketing Director (MD)**. You will be placed in your sponsor's base shop. Your sponsor will help you. The **first sale** you make will be your **training sale**. You will receive \$10. Your sponsor will receive \$40. You will be promoted out of your sponsor's base shop to **Executive Vice President (EVP)**. Then you can start your own base shop.

Try to make 7 sales in your first 2 weeks or less. **One training sale for your sponsor and 6 regular sales for your base shop.** You will receive \$10 for your training sale and \$50 for each of the other 6 sales. So you could earn $\$10 + 6 \times \$50 = \$310$ in your first 2 weeks or less.

You will receive **\$40** for each first sale made by anyone in your base shop. As the **6** people in your base shop make their first sale and promote out of your base shop, you will receive **6 X \$40 = \$240**. As those **6** promote out of your base shops, each of them will leave **1** person in your base shops for a total of **6**. Then as those **6** make their first sale and promote out of your base shops, you will again receive **6 X \$40 = \$240**. This could continue on to infinity in your base shop.

When your **6** people promote out of your base shops they can start a base shop of their own by making **6** sales each. That will create for you a first generation of **6 X 6 = 36 members**. Those **36** will create a second generation of **36 X 6 = 216**. Those **216** will create a third generation of **216 X 6 = 1,296**. Those **1,296** will create a fourth generation of **1,296 X 6 = 7,776**. Those **7,776** will create a fifth generation of **7,776 X 6 = 46,656**.

According to the **compensation plan video**, as you advance from **EVP** to **EVP Gold** to **EVP Platinum** to **EVP Infinity**, you could earn **\$2.50, \$7.50, \$9.50** and **\$12** per sale. When you have **400** members in your super team you could be promoted to **Executive Vice President Infinity (EVP I)**. At that time you will receive **\$12** for each membership sold in your **sales organization** in generations **1** through **5**.

So, if you and each member in your **sales organization** make **7** sales in the first **2** weeks – that would be **1** training sale and **6** regular sales, then in **12** weeks you could have **5** generations with a total of **55,980** members. For the first **400** sales, you could earn **\$2.50, \$7.50** or **\$9.50** for each sale. For the other sales (**55,980 – 400 = 55,580**), you could be paid as an **Executive Vice President Infinity**. You could earn **55,580 X \$12 = \$666,960** in **12** weeks. You could **get paid every week**. You can use the money to **payoff the mortgage loan** on your house or condominium.

There is even **more money**. As members in your **sales organization** pay **\$34.95** per month, six months after you start, you could start receiving **monthly residual income**. You could receive **\$7** per month for each membership in your **Sales Organization**. For more information, please [click here](#) and watch the **compensation plan video** at the **11 minute 33 second** mark featuring **Mr. June Collier**.
