YOU ARE ALREADY IN SALES

In any business, sales must be made. A **product** or **service** must be sold. In the **MyEcon Home Based Business**, the **service** is the **MyEcon Income Shifting Membership (ISM)**. You have heard people say – I don't like sales, I don't want to sell anything. I just want to work on my regular **9 to 5** job and get paid every week. Please realize you are already in sales. If you have a job you are **selling 40 hours** of your time to your employer each week. Your employer is **buying 40 hours** of your time from you each week. So you are in the business of **selling 40 hours** of your time to your employer each week.

So you see, almost everything about money on this planet involves buying and selling something. That is how money is used and generated. By buying and selling something. In this economy, a large number of people are looking for an opportunity to earn more money. You can earn money by joining **MyEcon** and setting up your own **Sales Organization** within **MyEcon**. **MyEcon** uses a business model called **Network Marketing**.

NETWORK MARKETING

Network Marketing is a **direct selling method** in which independent-agents serve as distributors of **products or services**, and are encouraged to build and manage their own **Sales Organization** by recruiting and training other independent agents.

In this method, the agent earns money on his own sales, as well as on the sales made by agents in his **Sales Organization**. His **Sales Organization** consists of the agents he recruits, the agents they recruit, and so on. This is also called the downline.

Network Marketing has produced more **millionaires** than any other industry. **Network Marketing** is also called **Multi-level Marketing (MLM)**. It is a **multi-billion** dollar worldwide industry that distributes practically any **product or service**.

According to the **Compensation Plan** document in your **Back Office**, you can earn money with **MyEcon** in a number of ways. However, this income example is about **2** ways you can earn money with **MyEcon**.

1. Weekly Overrides on **5** generations.
2. Monthly residual earnings on **5** generations.

GET PAID EVERY WEEK AND EVERY MONTH ON THE INTERNET

The following income example is about you selling **4 MyEcon Memberships** in your first week and each member in your **Sales Organization** doing the same in their first week. The cost of the **membership** is **\$29.95**. You will earn **\$25** for each sale you make. So you could earn **4 X \$25 = \$100** in your first week. Depending on your position (**EVP Gold, EVP Platinum or EVP Infinity**) with **MyEcon**, you could also earn **\$2, \$5 or \$8.50** respectively in weekly override commissions and **\$2, \$5 or \$8.50** respectively in monthly residual commissions for each sale made in **5** generations of your **MyEcon Sales Organization**.

INCOME EXAMPLE – YOU AND YOUR ORGANIZATION

You purchase the **MyEcon Membership** for **\$29.95** – You are an **Executive Vice President (EVP)**

| | |
|---|--|
| Week 1 – Start your first Generation by making | 4 sales – You are promoted to EVP Gold – \$2 |
| Week 2 – Generation 2. Those 4 make 4 sales = | 16 sales – You are promoted to EVP Platinum - \$5 |
| Week 3 – Generation 3. Those 16 make 4 sales = | 64 sales – \$5 |
| Week 4 – Generation 4. Those 64 make 4 sales = | 256 sales – You are promoted to EVP Infinity – \$8.50 |
| Week 5 – Generation 5. Those 256 make 4 sales = | <u>1,024</u> sales – \$8.50 |
| Total so far is 1,364 sales | |

So, in **5 weeks** you could have **1,364 MyEcon sales** in your **MyEcon Sales Organization**. That is the same as having **1,364 Members** in your **MyEcon Sales Organization**. You could **Get Paid Every Week and Every Month** on the Internet. In **5 weeks** you could have earned **\$8.5 X 1,364 = \$11,594** or more in weekly commissions. Then you could be in position to earn **\$11,594** or more per month in residual commissions. Which is **12 X \$11,594 = \$139,128** per year.

NOTE: The **Compensation Plan** starts at the **30 minute 59 second** mark of this webinar.

The **weekly commissions** pay period begin at **12:01 AM EST** each Saturday and ends at **12 PM midnight EST** each Friday. Commissions are paid on the Friday following the week the sales were made. **You could get paid every week.**

As the members in your **Sales Organization** pay their monthly **\$34.95** membership fee, you could get paid monthly residual commissions. The **monthly residual commissions** are paid on the second Friday of the month following the month the **\$34.95** membership fees were paid. **You could get paid every month.**
