If you are not already in sales, you may want to start a part time or full time career in Sales.

YOU ARE ALREADY IN SALES

You have heard people say – I don't like sales, I don't want to sell anything, I just want to work on my regular **9 to 5** job and get paid every week. Please realize you are already in sales. If you have a job you are selling 40 hours of your time to your employer each week. Your employer is buying 40 hours of your time from you each week. So you see, almost everything about money on this planet involves buying and selling something. That is how money is used and generated. By buying and selling something.

In this economy, a large number of people are looking for an opportunity to earn more money. You can earn more money by buying a **National Wealth Center Digital Product package course** and then **reselling** that **National Wealth Center Digital Product package courses** to **4** or more people.

NETWORK MARKETING

Network Marketing is a **direct selling method** in which independent-agents serve as distributors of **products or services**, and are encouraged to build and manage their own sales force by recruiting and training other independent agents.

In this method, the agent earns money on his own sales, as well as on the sales made by agents in his sales organization. His organization consists of the agents he recruits, the agents they recruit, and so on. This is also called the downline.

Network Marketing has produced more **millionaires** than any other industry. Network Marketing is also called multilevel marketing (MLM). It is a **multi-billion** dollar worldwide industry that distributes practically any **product or service**.

STEP 6. START YOUR SALES ORGANIZATION. After you join **National Wealth Center**, start your **Sales Organization** by making **4** sales in your **first week**. That is the same as signing up **4** people to join **NWC** in your **first week**. They will do the same in their **first week**, and so on. You and they could earn **\$1,000,000** on the Internet in **14** weeks. The charts below show the amount of money you could earn.

THE POWER OF FOUR - EARN \$1,000,000 ON THE INTERNET IN 14 WEEKS

Sign up **4** people in your **first week**. In order to get qualified to continue getting paid, you must give the **2nd** and **4th** person you sign up to your sponsor. These are called your **2** training sales. The **1st** and **3rd** person you sign up stays with you. Everyone you sign up after your **4th** person stays with you.

The good news is everyone who stays with you and everyone who is given to you must also give the **2nd** and **4th** person they sign up to you. You will have a continuous supply of **MONEY** flowing up to you. **You could get paid every day seven days a week on the Internet including Saturday and Sunday**.

Each person who joins **National Wealth Center** in your **Sales Organization** at the **\$25** level will pay you **\$25** down and **\$25** per month for the digital **Self Development product package**. They will also pay **\$19.95** down and **\$19.95** per month to the company for the **reseller license fee** for a total of **\$44.95** per month.

Week 1. You sign up **4** people to join **NWC** in your **first week**. That is the same as making **4** sales. **Two** for you and **two** for your sponsor. Your **reseller license** authorizes you to sell the company's digital products and receive **100 percent commissions** paid directly to you from your clients. So in **week 1** you will receive **2 X \$25 = \$50** and **\$50** per month.

Then your 2 will sign up 4 each in week 2. You will receive 2 from each of your 2. Then 2 from each of your 4. Then 2 from each of your 8 and so on to infinity. You will receive \$25 down and \$25 per month from each person in your **National Wealth Center Sales Organization** at the **\$25 Digital Product level**. That is very powerful. So here it is:

Week 2. You receive 2 from each of your 2 = $4 \times \$25 = \100 and \$100 per month.

Week 3. You receive 2 from each of your 4 = $8 \times \$25 = \200 and \$200 per month.

Week 4. You receive 2 from each of your 8 = $16 \times \$25 = \400 and \$400 per month.

Week 5. You receive 2 from each of your 16 = $\frac{32}{62} \times \$25 = \underline{\$800}$ and \$800 per month.
\$1,550 \$1,550 per month.

So in 5 weeks you could have 62 NWC Independent Affiliate Marketers in your Sales Organization and you could have received \$1,550 and \$1,550 per month. But that's not all. This continues on to infinity. So in week 6 you could see your earnings double again. And again in weeks 7, 8, 9 and so on to infinity.

STEP 7. UPGRADE AS SOON AS POSSIBLE

After you earn \$1,550 at the \$25 Self Development course level in week 5, you can use \$1,000 of that money to upgrade to the \$1,000 Wealth Advantage course level in week 5.

In your week 5, go back to Step 5. Repeat Step 5 again. This time select the \$1,000 Wealth Advantage course. Follow the instructions to pay \$1,000 one time for the course.

The 4 people you originally signed up in your week 1, will also upgrade to the \$1,000 Wealth Advantage course level in their week 5, which will be your week 6. That will be 2 for you and 2 for your sponsor just like you did in week 1.

That will qualify you to receive 100 percent commissions at the \$1,000 Wealth Advantage course level. As you and everyone in your Sales Organization upgrade, you and they will receive more and more money.

EARN ONE MILLION DOLLARS ON THE INTERNET IN 14 WEEKS

Week 6. Your 2 upgrade – you receive $2 \times \$1,000 = \$2,000$.

Week 7. You receive 2 from each of your 2 = $4 \times \$1,000 = \$4,000$.

Week 8. You receive 2 from each of your 4 = $8 \times \$1,000 = \$8,000$.

Week 9. You receive 2 from each of your 8 = $16 \times \$1,000 = \$16,000$.

Week 10. You receive 2 from each of your 16 = $32 \times \$1,000 = \$32,000$.

Week 11. You receive 2 from each of your 32 = $64 \times \$1,000 = \$64,000$.

Week 12. You receive 2 from each of your 64 = $128 \times \$1,000 = \$128,000$.

Week 13. You receive 2 from each of your 128 = $256 \times \$1,000 = \$256,000$.

Week 14. You receive 2 from each of your 256 = $\frac{512}{1,084} \times \$1,000 = \underline{\$512,000}$.
\$1,023,550

So in **14 weeks** you could have **1,084 National Wealth Center Independent Affiliate Marketers** in your **Sales Organization** and you could have received **\$1,023,550**. But that's not all. **This continues on to infinity**. So in **week 15** you could see your earnings double again. And again in **weeks 16, 17, 18** and so on to infinity.
